Vendespil 2

Tæl til 20

Forberedelse:

Udskriv (på karton) side 1-4 i det antal du vil have vendespillet i. Laminér og klip ud.

Spil vendespil:

Spillere: 1-4.

Fordel brikkerne på bordet med billedsiden ned.

Første spiller vender en brik, og siger tal/mængde på billedet højt. Derefter vendes en brik mere i forsøg på at få stik (tal + mængde). Skift tur, også selv om der er stik.

Den spiller som har samlet flest stik, når alle brikker er taget, har vundet.
